

Bridge Street Parking for Lighthouse Beach

Please be aware that new parking requirements have been implemented for all vehicles which are parked along Bridge Street in order to access Lighthouse Beach. All non-residents and non-taxpayers of Chatham will be required to purchase a Chatham Beach pass and display on their vehicle in order to park along the Bridge Street road shoulder. The area of parking restriction extends from the east side of Mitchell River Bridge through the eastern extent of allowable Bridge Street parking. These parking passes will be required beginning July 1 through Labor Day from 9:00 AM to 5:00 PM. Vehicles of residents and non-resident taxpayers must display a current standard annual Chatham sticker (Beach, Transfer or Recycling stickers). Please note that this requirement does NOT include parking at the Lighthouse overlook which is still available to all vehicles for short term (30 minutes) parking only. Violations of these parking restrictions are subject to a \$50 parking citation.
